BTW: I do all my production in the studio on a PC, but always use the MAC w/ Ableton for live performances.. Sometimes in the middle of a show my pc would click or pop the mac never does so it has been my choice consistently for live shows for some time now.. Ableton Live 10 Suite - Upgrade from Live 1-10 Intro DAW Software with 5000+ Sounds (70GB+), Unlimited Tracks and Scenes, 13 Software Instruments, 42 Effects, and 34 Content Packs, Max for Live - Mac/PC.
